**MEMORANDUM FOR: Project Director of Administration**

**SUBJECT : SAC Training Mission Flights**

25X1

Regarding our cable to WATERTOWN [redacted] dated 28 December 1955, I was wondering whether we have any specific information concerning the current operational planning of flights by the SAC Training Mission in the immediate future. Prior to my visit to WATERTOWN, information at your disposal appeared to be somewhat vague, and I am considering the desirability of alerting some of our personnel throughout the United States concerning these test missions.
